

The 2010 pulling season will soon be upon us and we wanted to let you know about a great advertisement opportunity that we have to offer for your business. Missouri State Tractor Pullers Association is a member owned, member managed, non-profit association that solely focuses on great pulling events for communities and organizations. We were formed in 1966 by our founding members and are still pulling strong today in 2010.

In 2010 we will be creating a souvenir program for our spectators, promoters, members, fans and for use at various trade shows. This program will be a full color program with pictures and advertisements from promoters, sponsors and businesses like yourself. We are trying to keep the advertisement cost down for all of us but we will guarantee that you won't get this quality and type of advertisement for the dollar spent anywhere else. Not only will your ad be placed in our program but we will include your company's information on our website as well as our track announcer mentioning various ads from the program from time to time during our shows the help draw attention to your business.

If you are interested in this great opportunity we need your information asap as we need to go to print the first part of April. Please complete the following information:

Full page, \$500 _____ 1/2 page, \$250 _____ 1/4page, \$125 _____
